TREOWEN STARS HISTORY

Treowen Stars were formed in 1926 and played most of their football in the Abertillery & District and West Mon leagues. It was in the early 70's under the Chairmanship of Archie Davies that Treowen now in the Mon Senior League planted the seeds of today's success.

In 1973, new changing rooms were erected just below the field, at "Bush Park", largely paid for with proceeds of a very successful Tote, run by the Committee at the time.

It wasn't until 1984 that the club was given licence to sell Alcohol on the premises. It didn't take long to reconstruct the inside of the building, since at that time a very strong social element had been very instrumental in keeping the club going financially.

In 1986, won promotion from the 3rd Division of the now Gwent County League, Treowen started the climb up the ladder.

In 1991, Treowen gained promotion from Division 2 and a year later clinched the first division title at the first attempt. This was at the time of the introduction of the "Pyramid" system and Treowen were offered a place in the Welsh League. Within weeks the required improvements were completed and Treowen entered the Welsh League.

In 1992, their first season in the Welsh League, Treowen won the League by March.

The following year Treowen again won promotion, this time finishing Runners-up losing out on goal difference, in the same season they also finished Runners-up in the Cyril Rogers Cup Final losing to Barry Town.

Treowen made amends in 1997-98, winning the League Cup, 4-3(aet) against BP Llandarcy in what was a very exciting final.

Treowen were relegated from the Welsh League in 2006, but were promoted from the Gwent County League in 2010 after completing the League and cup double.

Last season Treowen finished in 11th position in Division Three.
